

```
pick 38d87da change 1
squash fb4fe52 2
squash fa12c47 3_

# Rebase 885be62..fa12c47 onto 885be62
#
# Commands:
# p, pick = use commit
# r, reword = use commit, but edit the commit message
# e, edit = use commit, but stop for amending
# s, squash = use commit, but meld into previous commit
# f, fixup = like "squash", but discard this commit's log message
# x, exec = run command (the rest of the line) using shell
#
# These lines can be re-ordered; they are executed from top to bottom.
#
# If you remove a line here THAT COMMIT WILL BE LOST.
#
# However, if you remove everything, the rebase will be aborted.
#
# Note that empty commits are commented out

This course will teach you everything you need to know about the new features and functions in Logie Pro X and how to get the most out of them. 3:05 6 Steps to Getting into the Creative Business So you want to get into the creative business? Or maybe you want to get into film or simply make money online. But the question is... how? In this course we cover the 6 steps needed to get your creative business off the ground. In this course we dig into marketing, public relations, and social media over the course of 6 sections. So if you are a budding filmmaker, writer, photographer, musician or artist, this course is for you! This course will cover the following: What is Marketing and how can you use it to benefit your creative business? What is Public Relations and how to use it to benefit your creative business? What are Social Media Networks and how to use them to benefit your creative business? What is the latest social media network called Facebook and how can it help your creative business? What is Pinterest and how can it help your creative business? What is YouTube and how can it help your creative business? What is the future of content marketing and how can you take advantage of online ads? As always if you want to ask me about this course please email me: snapoutofit@gmail.com Web design playlist If you've been following the Web design playlist I'm hoping you've found some great web design inspiration on the site. I'm very proud of this playlist and it's probably the one thing I spend the most time on. So... I decided to make a video, highlighting some of the best web design I've come across on the web. You'll be able to watch the video, play, pause and move through the playlist as you normally would. If you have any ideas for the playlist or things you think I've missed then let me know! Find out more about the video here: [I hope you enjoy the video! Let me know what you think! 5:46 Best Online Courses to learn a new skill 82157476af](#) online courses to learn a new skill 82157476af
